Denny Deischer, Vice President of Educational Services, Missouri Bankers Association provides educational training on compliance issues across the nation for state and national banking trade associations, banks, and compliance consulting organizations. Denny has over 35 years experience in the financial institution industry. Previous to joining the Missouri Bankers Association, Denny was a manager with KPMG and Senior Vice President for Barefoot Marrinan and Associates, a compliance consulting firm. Denny's career in the banking industry began in 1973 as a bank examiner with the Office of the Comptroller of the Currency (OCC). He was a senior regulatory official managing the compliance examination process in Kansas City and working six years in Washington, D.C. representing the OCC on interagency task forces, and chairing the Federal Financial Institutions Examination Council's Consumer Compliance Task Force. Denny is well known as a trainer and speaker on compliance topics throughout the industry.
