

WE ARE HIRING

Full-time Audit Manager

When you work at Landmark, you'll find we are all about Culture, Connection, and Contribution. You'll build relationships beyond transactions. You'll be an essential part of a team that makes a real difference in the community. You will find a family that supports you and celebrates your success. You can build a career at Landmark.

To Join Our Team, You'll Need:

- Bachelor's Degree or higher in business or related field is required
- Excellent knowledge of banking/financial business operations and risk-based auditing attained through 3 to 5 years of progressive work experience with a focus on financial risk and regulatory requirements
- Ability to manage projects and supervise auditors
- Strong analytical, human relations and communications skills
- Strong project management skills

What You'll Do

- Evaluate the reliability, adequacy, and effectiveness of accounting, operating, and administrative controls.
- Schedule/plan financial, regulatory, compliance or operational audits, review results, and oversee corrective action.
- Request proposals from audit firms for co-sourced reviews and ensure adequacy and appropriateness of reviews. *CV to:*
- Supervise, train, and coach audit staff and manage progress of staff projects.
